Q1: Are you in favor of a marijuana store locating in the downtown district in the City of Rockland?

No,

COMMENTS:

I believe that a Marijuana store has the ability to bring revenue to the area, but I don't want the area to turn into a druggy hangout. Downtown is where tourists come to visit and experience the small town feel that rockland has to offer. Families might be a bit deterred from coming to downtown if they possess different values. We don't want downtown to just appeal to visitors coming for the appeal of experiencing Maine's relaxed Marijuana laws.

Q1: Are you in favor of a marijuana store locating in the downtown district in the City of Rockland?

No,

Although I am open-minded about the benefits of Medical Marijuana, I think that having a store that sells marijuana downtown may send the "wrong message" to tourists visiting the area.

Yes, I feel that would be fine. There is already a dispensary in Thomaston, and as far as I know, there have been no issues surrounding that.

Q1: Are you in favor of a marijuana store locating in the downtown district in the City of Rockland?

Yes,

COMMENTS:

I grew up in Rockland, now 29 years old. I have seen many changes in our downtown area, many good, including the sidewalks, raised crosswalks to slow traffic, the light posts (the new ones look great) and a general facelift of the district. We are lucky to have a community of honest, hard working people. I don't think its necessary discriminate against gardeners growing a medicinal crop that has many benefits, physical and economical. I lived in Colorado from 2010 until 2015. I worked for Peter Knobel, a very successful man, also at the forefront of the marijuana industry. I can say that the towns and cities that opted out of storefronts (including Vail, where I lived) missed out on a growing industry, bringing in money to the town. There have been many empty storefronts over the years and there is no doubt in my mind that a marijuana store would bring in enough business in the tourist season to support itself through the slower winter months.

Q2: Are you in favor of a marijuana store locating anywhere in the City of Rockland?

Yes

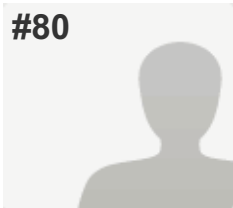

Q3: Do you own and/or manage a business in Downtown Rockland?

No,

COMMENTS:

I have worked downtown for 1 year (since moving back from Colorado), and worked summer seasons in between school and traveling off & on since 2005.

Q1: Are you in favor of a marijuana store locating in the downtown district in the City of Rockland?

Yes,

COMMENTS:

Why not? There's beer and wine sold downtown, and pot is more benign than both.

Q2: Are you in favor of a marijuana store locating anywhere in the City of Rockland?

Maybe,

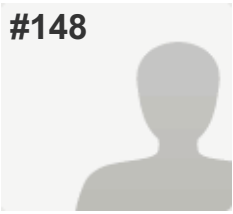

COMMENTS:

It depends on zoning. Pot shops should be treated no differently than alcohol shops.

Rockland voted to make marijuana legal. Rockland marijuana buyers should be able to buy from a Rockland store. It would not be right to have to drive to Thomaston to legally buy weed.
