- Yes Question 1: Do you favor authorizing the School Board of Maine School Administrative District No. 28 ("the District") to issue bonds or notes in an amount not to exceed \$4,897,897 to renovate, improve, and equip the Mary E. Taylor building in order to preserve and re-purpose that building for multipurpose use, as described below, which bonds would be in addition to the \$25,200,000 in bonds already issued for the new middle school project; and to modify the currently authorized new middle school project, as described below?
- No

Note: The currently authorized new middle school project includes demolition of the Mary E. Taylor ("MET") building to accommodate a portion of the athletic fields for that project. If this Question is approved, the School Board would (i) modify the currently authorized new middle school project to keep the MET building intact; and (ii) renovate and repurpose the MET building for multi-purpose use, as a separate project from the middle school project. Multi-purpose use would potentially include community, school, municipal, non-profit, and/or business purposes.
