Registration Deadline: September 8, 2021

For over 40 years the Rockland Rotary Club has sponsored the Marcel Lacasse Memorial Golf Tournament to assist area high school seniors in realizing their dreams of higher education. The Job before us has never been greater! You can help in this important effort by becoming a tournament sponsor or by simply making a contribution. We’ve enclosed a page showing the different sponsorship levels and a sponsorship form for your consideration.

Last year Rockland Rotary provided 10 exceptional local high school seniors with $1,000 scholarships for college. This year we are attempting to raise $15,000 in order to meet the increased needs of students in the Oceanside East & West, Medomak Valley High Schools as well as the Coastal Christian School.

The field is limited to 100 players, so please register soon, this is a first come, first serve basis. (Registrations are not complete until a registration form and payment are received.) The tournament fee is $150 per player or $500 per team which includes greens fees, cart, and lunch after the tournament and prizes.
